IN A NEW REALITY.

# HERE AND NOW

A NEW SERIES FROM **ALAN BALL**,  
CREATOR OF **SIX FEET UNDER®** & **TRUE BLOOD®**  
FEB 11 AT 9PM **HBO®**

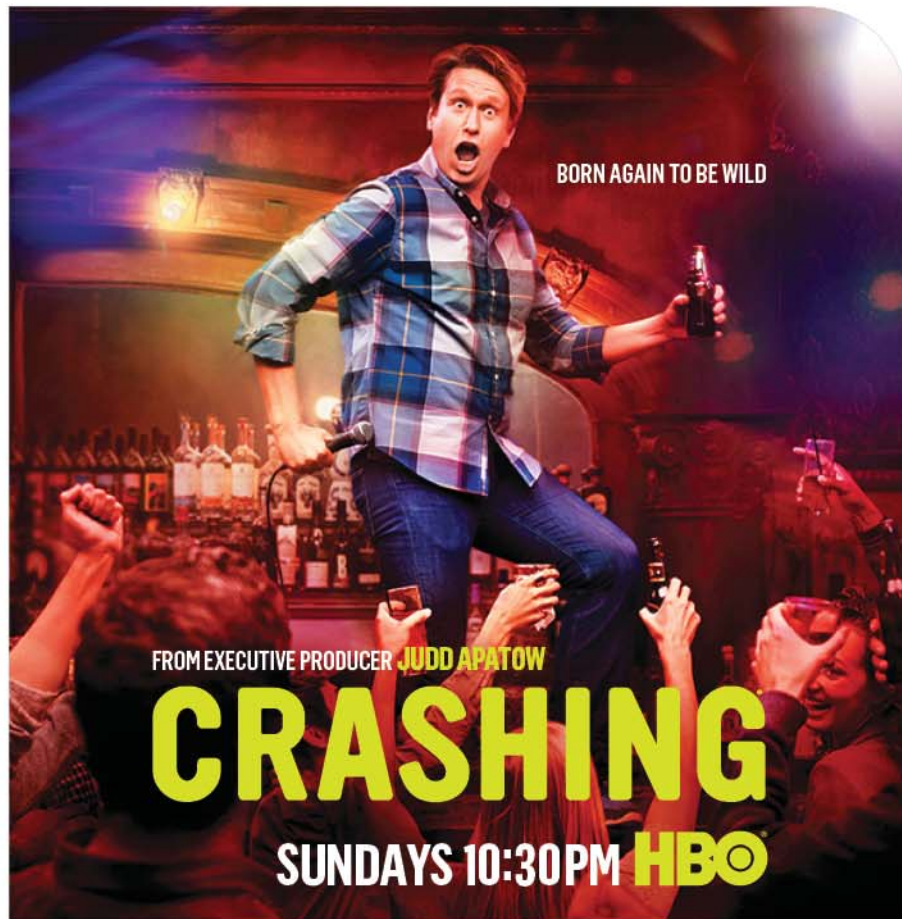

Created by Oscar® and Emmy® winner Alan Ball (HBO's *Six Feet Under*), this riveting new HBO series focuses on a contemporary multiracial family—a philosophy professor, his obsessive wife, their three adopted children from Liberia, Vietnam and Colombia, and a sole biological child—as it faces a series of life changes and emotional challenges. Over the course of Season 1, this seemingly perfect, progressive family is in actuality

harboring deep rifts, as well as some divisive secrets. When one of the children begins to see things others cannot, confusion reigns. Is it mental illness, or something else? Oscar® winners Holly Hunter and Tim Robbins head up a stellar cast; also with Daniel Zovatto, Jerrika Hinton, Raymond Lee, Sosie Bacon, Peter Macdissi, Joe Williamson, Avyynn Crowder-Jones, Andy Bean, Trent Garrett and others. The ink on the divorce papers is finally dry, so what's next for suburban exes Frances (Sarah Jessica Parker) and Robert (Thomas Haden Church)? Season 2 finds both dealing with the aftermath of their separation, and learning to rebuild their lives. While Frances throws herself into her gallery full-time, and Robert moves ahead with his house-flipping venture, they both take steps to get back in the dating game. (AC,AL) TVMA/L-:29

Still divorced, still broke and still searching for his place in the world of New York City stand-up, good-natured but perpetually floundering Pete (Pete Holmes) is back in Season 2. With the help of fellow rising comic Ali (Jamie Lee), Pete explores the alternative-comedy scene—a land of offbeat venues and no-drink minimums—before finding himself ensconced in comedy's crowded college market. (AC,AL) TVMA/L-:31

No subject is off limits for Jessica Williams and Phoebe Robinson—hosts and stars of the hit comedy podcast “2 Dope Queens”—as they bring their hilarious insights and laugh-out-loud banter to HBO for this series of four hour-long specials, directed by comedian Tig Notaro. Each special features Phoebe and Jessica chatting and riffing on a specific topic, a celebrity interview, and stand-up sets from three comics. (AC,AL) TVMA-:57

Because all kinds of New Yorkers need their weed, The Guy is back and business is booming. Over the course of ten new episodes, Season 2 highlights an even wider array of diverse city dwellers with distinctive personalities and various backgrounds—while reminding us that people are usually not as they appear. Created by Katja Blichfeld and Ben Sinclair, and starring Sinclair as The Guy. (AC,AL) TVMA/L-:28

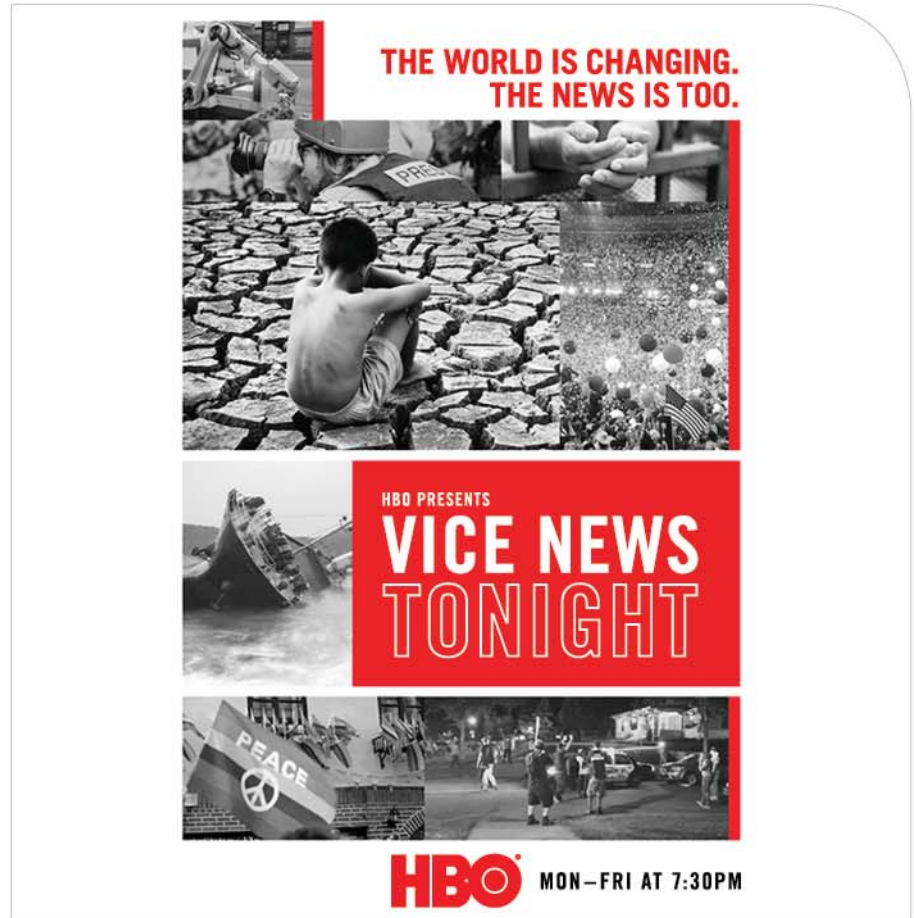

One of the funniest and most refreshing personalities on the TV scene, John Oliver kicks off a new season of his acclaimed Sunday-night series, winner of seven Primetime Emmy® Awards. A satirical and insightful look at the personalities and policies that shape the country and the world, the series is shot in New York within hours of airing, and features a mix of Oliver's commentary, pre-taped pieces and occasional guests. (AC,AL) TVMA-:30

At a time when politics have sunk to an all-time low, political comedy has reached an all-time high. Now Bill Maher brings a modicum of sanity to the madness with an all-new season of his award-winning comedy/talk series. Each show is comprised of Maher's opening monologue, a top-of-show interview, a panel discussion, mid-show guest and Maher's "New Rules" exposing society's most absurd habits or institutions. (AC,AL) TVMA/L-:57

In 1942, the U.S. government chose St. Louis, MO, as a processing center of uranium for the first atomic bombs. The radioactive waste was eventually dumped into the West Lake Landfill in North St. Louis County. Until recently, many residents were unaware that the waste had become a ticking time bomb. This film reveals a story about the mobilization of two communities in order to get answers and, hopefully, solutions. (AC,AL) TV14-1:37

The first news program of its kind to air on HBO, *VICE News Tonight* provides an indispensable source of up-to-date news to viewers who have grown increasingly skeptical of the daily broadcast news format. Distinguishing itself from traditional daily TV newscasts, the show has no anchor, and instead utilizes correspondent-reported field pieces, newsmaker interviews and profiles, animation and graphics, and "from-the-desk" reports. TV14-20

A vibrant, cartoon-style illustration of Sesame Street. In the center is a large green sign with a yellow border that reads '123 SESAME STREET®'. To the left, a yellow Muppet (Big Bird) stands next to a blue Muppet (Grover). To the right, a red Muppet (Elmo) stands next to a brown delivery van with a blue Muppet (Cookie Monster) inside. A pink Muppet ( Abby Cadabby) is flying in the air. The background features a stylized cityscape with various landmarks like the Empire State Building, a pagoda, and a hot air balloon. The sky is light blue with a few clouds.
